

On behalf of the Miss San Diego Pageant & Scholarship Association thank you for your interest in the Miss San Diego Princess Program. The Miss San Diego Princess Program is not a competition ; it is a personal development and mentoring program that focuses on building relationships between young women, our local contestants, and girls between the ages of 5 and 12 years old. Throughout the process, it is our goal that your princess will gain self confidence, mature, gain poise but more than anything create a relationship that will last for years to come. Each princess will receive modeling training as well as an extensive prize package.

Please review the following pages to find the information for the 2011 season. Feel free to contact any committee member with questions or concerns throughout the entire process. Our ultimate goal is FUN for each princess and we look forward to sharing that with you!

It is our goal that you will find a family here with the Miss San Diego Pageant & Scholarship Association and continue to entrust your princess with us for years to come. Who knows, this may be her first step in becoming Miss America!

Best Wishes,

Nanette Hallas
